### ➤ **Summary**

This Visitors Policy has been produced to ensure safety of our pupils and staff and we ask for cooperation from staff, pupils, parents and visitors. It will be applied in a fair and consistent manner.

### ➤ **Purpose**

The purpose of this Visitors Policy is to ensure the safety of our pupils and staff and to ensure that the college acts in a reasonable, appropriate and lawful manner with all visitors to the college.

### ➤ **Scope**

This policy applies to all visitors to the college. The ultimate responsibility for its implementation lies with the Academy Directors. The Academy Directors have delegated the responsibility to the Head Teacher for the day to day implementation of this policy.

### ➤ **Aims and Objectives to ensure**

The safeguarding and welfare of children and young people.

The safeguarding and welfare of staff.

A consistent and equitable approach to all visitors.

All relevant equal opportunities legislation is adhered to including the Equality Act 2010.

### ➤ **Principles**

The following principles are encompassed in this policy:

- We welcome all parents and visitors to the college. Parents and visitors are required to report to the reception desk by the main entrance and sign in.
- All visitors must wear a visitor's badge.
- Any visitors on site who are not recognised, or who are not appropriately badged should be politely approached and accompanied to the reception desk for registration.
- The College reserves the right to refuse entry or terminate a visit at any time.
- Visitors include parents, volunteers and governors (staff to sign in separately for fire register purposes)

➤ **Equal Opportunities**

The College is committed to providing equality of opportunity for all and ensuring that all visitors are fairly treated.

Visitors who may have difficulty evacuating the building in the event of an emergency should be offered an escort. If such people are regular visitors and would not otherwise need to be accompanied, we will consider improving accessibility. This policy does not apply to audiences at performances in the school hall and similar events.

Visitors will be expected to be respectful of the religious character of the college and the beliefs of the children at the College. In particular, due to the religious beliefs of children at the College, only female staff are employed in learning areas of the College. The College would expect all visitors (where possible) to:

- (i) provide advanced notice of visits (which will necessitate access to learning areas);
- (ii) allow the opportunity for children (or staff) to adorn a niqab or other clothing that they believe to be appropriate before entering a classroom;
- (iii) respect any religious belief that prevents eye contact being made by children at the College;
- (iv) dress “appropriately” (see below);
- (v) adhere to other reasonable requests made by the Headteacher or other Senior Leader of the College.

Other than people working with children (defined below) all visitors will be accompanied at the College.

➤ **Dress**

The Islamic faith stresses modesty for both men and women with regard to dress. Out of respect for the Islamic nature of our school and to avoid causing offence we would request that visitors adhere to the following dress code:

- All clothing should be loose fitting and sheer fabrics should be avoided.
- Tops should be long enough to cover the midriff if the arms are raised.
- Sleeves should be at least elbow length and low necklines should be avoided.
- Skirts/shorts or dresses should be knee length or below.

➤ **Categories of Visitors**

Visitors can be classified according to their degree of access to children:
