

## Year 8 Haworth Trip

Year 8 students took a trip to Haworth to investigate the home of the Bronte family.

Upon arriving in Haworth students were taken on a guided tour of the village. They were shown the village with its famous cobbled hill and also the church where the Bronte family are buried. The guide explained how the village would have looked during the time the Brontes lived there.

Students then went on a tour of the house where the Bronte family lived. They got to see their bedrooms and the tables they used to write at. They also visited the kitchen and Branwell's study. In the museum they were amazed at the tiny dress and shoes worn by Charlotte.

After visiting the house they created a role play of Jane Eyre, even dressing up in period costume to take on the characters.

“In enjoyed the day a lot because I got to learn more about the Bronte family”,  
year 8 student.
