

Nepal needs your Help

Feversham College students responded to the disaster in Nepal by setting up a fundraising event.

Students were moved by the plight of those people suffering after the earthquake in Nepal. Student leaders set up a fundraising event in order to help.

Students baked buns, cakes and biscuits which they then sold during break times. The event proved very popular with nothing left at the end of the event.

“It is important that we help those suffering around the world. It is our duty as Muslims to give charity to those in need and I am pleased that other students recognized this as well,” year 10 student.

In total the school raised over £820. The money has been sent to the Disasters Emergency Committee and will help to provide food, shelter and medical supplies to those affected.
