

Feversham College

Our Easter Newsletter

I write at the end of an extremely busy term at Feversham College.

This term is always a 'full on' term with many students sitting mock examinations, their last real practice before the actual exams in May and June.

Students in Key Stages 4 and 5 are very clear of what grades they are currently on and exactly what they need to do in order to improve further. It is vital that students sitting external examinations in May and June spend this holiday revising and planning out their workload in order to ensure adequate revision for all subjects. Like us, please encourage your daughters to revise thoroughly to give herself the best possible chance of achieving her potential.

I would like to thank you for your continued support and wish you a peaceful and restful Spring break.

Miss Clare Skelding
Headteacher

Parents Evening

We had very good attendance at our recent year 8 parents' evening. These evenings are critical points in your daughters learning journey. Thank you for your support at such a critical stage and your valued feedback.

Uniform

As we are coming back to the Summer Term, may I remind you that students must continue to wear flat black shoes at all times in school, sandals or flip flops of any description are not permitted. Thank you for your continued support in enforcing our uniform policy.

Feversham College Developments

As you are aware Feversham College converted to an Academy in 2011. As a school we have always been committed to helping other schools raise educational standards for their pupils wherever we can. Our Teaching School/National Support School status has enabled us to do a lot of this work.

We have however, decided to formalise our school to school work and have now converted to a Multi Academy Trust (MAT). As a MAT we are able to 'sponsor' other schools, working together in joint Governance to raise educational standards for the pupils in the 'sponsored' school. In order for us to accelerate some of this work we have increased our capacity at Feversham College. This is important to ensure the future success of Feversham College and maintain outstanding education for our pupils but also to ensure we can make a difference to schools joining our Trust.

We currently have additional capacity in English, Mathematics and Science. After the holidays we have a new Deputy Headteacher joining us, Mrs Muneer and a new Assistant Headteacher, Mrs Abbott who will be replacing Miss Naznine who was promoted to Deputy Headteacher. This increased capacity at Feversham College will ensure we continue to provide the very best education for your daughters. For more information on Feversham Education Trust please visit our website at www.fevershameducationtrust.com

I will of course keep you updated with developments.

Dates for your diary

Thursday 24 March –
School closes for Spring
holidays

Monday 11 April –
School reopens

Monday 2 May – School
closed – Bank Holiday

Tuesday 3 May – School
reopens

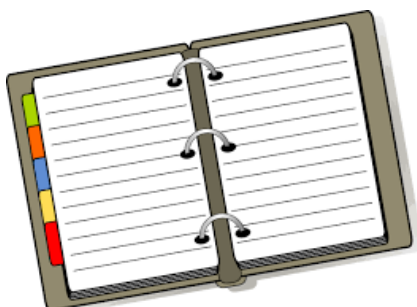

Week commencing
Monday 9 May – Year 7
and 8 internal exams

Monday 16 May - 2016
series exams commence

Thursday 26 May –
New Year 7 parents
evening

Friday 27 May – School
closes for half term

Monday 6 June –
School reopens

Fundraising News

As always we take our fundraising for charities very seriously. I would like to thank you for your generosity and support for these worthy causes. I will share with you next term the total funds raised to date for charity.

Road Safety

Year 7 students enjoyed a powerful road safety drama, it is an award-winning play focusing on young people and their behaviour on and around the roads. The play was set in a courtroom and flashes back to moments in the young people's lives, eventually leading up to the death of a young boy. Students were asked to vote as a jury.

Sports Transition Festival

Our annual sports transition festival took place on Tuesday the 22nd March. This is always a lovely day with year 6 students engaging in a variety of activities alongside some of our students.

E-Safety

Feversham College joined hundreds of other organisations across the UK in celebrating Safer Internet Day on Tuesday 9th February and promoting the safe and responsible use of technology.

The theme this year was **'Play your part for a better internet'** and there were various activities held that gave young people the opportunity to focus on positive things that people are doing on the internet.

GST classes were encouraged to play their part and #shareaheart.

Teaching School

We have been busy recently in our teacher training provision this term and places for September are filling fast which is a great achievement. We have also delivered numerous courses for a variety of staff both primary and secondary for different subjects. Our recent school to school support applications were successful. We have been provided with funds to continue to help other schools.
