## Our May Newsletter

As always this half term has been extremely busy. It is the last one our student community have together as Year 13 students have now started their study leave and Year 11 near their 'stand down' date.

I would like to thank you for your continued support and wish you a peaceful and restful break.

Miss Clare Skelding  
Headteacher

### Ramadan

As we are approaching Ramadan we are planning activities for students to aid reflection. Weekly reminders will be based around Ramadan and how to nurture ones' character. Throughout the month there will be reminders on the significance of fasting, the Night of Power and Eid-ul-Fitr. We will also be sharing how to develop ones' spirituality and useful tips on how to remain healthy and balance the school days, revision and exams with the long days of fasting. Students will also have the opportunity to participate in lunchtime activities. There will also be facilities for students to recite the Qu'ran and engage in personal reflection during lunchtimes.

### Dates for your diary

- Friday 27 May** – School closes for half term
- Monday 6 June** – School reopens
- Monday 6 June** – Progress review meetings – year 7
- Monday 13 June** – Work Experience for year 12 students – 2 weeks
- Friday 24 June** – End of Summer Exam Series
- Monday 27 June** – Work Experience for year 10 students – 1 week
- Wednesday 29 June** – Transition day
- Friday 1 July** – School closes for Eid-ul-Fitr
- Monday 11 July** – School reopens

Our summer newsletter will have all the termly updates on Student Leadership, fundraising and subject activities.

### Year 7 New Parents Evening

It was lovely to welcome parents and carers to our parents evening. We were joined by many current parents, new parent communities and 120 excited young women. We look forward to working in partnership in September.

### Examinations

As you will be aware the actual examination series is in full flow. We have experienced nerves, excitement, tears and laughter already as students enter and leave their final exams.

We have carefully planned revision classes for girls on their timetables prior to their specific exams. Please can I remind you that attendance to school is vitally important and urge you to ensure your daughter attends until the official leave date.

### Art Department Celebration

The Design & Technology Department at Feversham College is having a 'Celebration Event' to celebrate the work that the students have done throughout the year, on **Tuesday 7th June from 4pm-6pm.**

There are works from GCSE and KS3 Art, Food, Textiles and Resistant Materials as well as a goodie bag to take home! Please come and show your support.
